JNF is a non profit 501(c)(3) organization that partners with Joe DiMaggio Children's Hospital to Fulfill Children's Dreams Through Travel

About JNF

The Jorge Nation Foundation Inc. (JNF) is a 501(c)(3) non-profit organization with a mission to send children facing some of life's greatest health challenges and their families on once in a lifetime all-inclusive **Dream Trips** of their choosing. JNF partners with some of the nation's leading children's hospitals, including Joe DiMaggio Children's Hospital and Nicklaus Children's Hospital (formerly Miami Children's Hospital) to help refer children with terminal or serious illnesses to JNF for Dream Trip consideration. Through generous donations and sponsorships, JNF has been able to send dozens of children and their families on once-in-a-lifetime **Dream Trips** and send hundreds of children and their families on their yearly Group **Dream Trips** to exciting local venues such as Zoo Miami, Jungle Island and the Miami Aquarium. JNF's **Dream Trips** are first-class and truly special all-inclusive

experiences. Annually, JNF's goal is to send at least 8-10 families on **Dream Trips** to amazing destinations around the U.S. and Western Caribbean, which on average will cost \$7,500.00 - \$15,000.00 per trip depending on the number of travelers in a family, destination and activities. To date, JNF has traveled numerous children and their families to destinations such as Hawaii, San Francisco, New York, Southern California, Las Vegas, Colorado, Minnesota, Costa Rica, the Bahamas, Puerto Rico and multiple Disney, theme park, and cruise vacations. Dream Trip recipients have had special recognition and VIP treatment at large sporting events, private access to outdoor adventures, theme parks, shows, and stadiums, and introductions with athletes and celebrities alike. Our **Dream Trips** truly are something these deserving children and their families will never forget.

JNF's 7th Annual White Party

This year's White Party celebration will take place on Saturday, May 19, 2018, at the beautiful Marriott Harbor Beach in Fort Lauderdale, Florida. Like past White Parties that hosted approximately over 500 loyal JNF supporters, this year's event promises to be another exceptional testament to our namesake, Jorge Brouwer, as well as a showcase of JNF's most recently completed **Dream Trips** and progress to date. Why does this year's White Party have a Winter theme? It's because we want our guests to enjoy a taste of what our Dream Trip Recipients are fortunate to experience. Last year, we honored the memory of Stefano Dioguardi, a terrific young man who went to Hawaii with his family, and this year we are recognizing our **Dream Trip** recipients that have visited the Mountains – a favorite destination among many JNF children. The event showcases live heartfelt speeches from recent Dream Trip recipients, an innovative presentation from the JNF Board on the purpose and goals of the Foundation, exhilarating live performances, and an impressive silent auction with unique collectables and packages. JNF guests are treated to unlimited top shelf cocktails, fantastic food, dancing, and much more!

Our White Party is not your standard charity event; be prepared to have a blast celebrating with South Florida's finest all while raising money for a wonderful cause. Attendees regularly comment that the White Party is their favorite charity event of the year! Tickets for this year's event will be \$150.00 and can be purchased at jorgenation.org. There are several ways you can help with this Event, such as

becoming an official JNF Corporate Sponsor or by donating in-kind items for the Event's silent auction. Please take the time to review the Corporate Sponsor package for more information. For the auction, we are also accepting in-kind non-cash donations and other items, including, but not limited to, concert tickets and sporting event tickets, gift certificates, airline tickets/miles, vacation/hotel stays, rare collectables, and luxury items. Through the support of sponsors like you, JNF can attain its fundraising goal at its one annual fundraiser and continue to impact the lives of these deserving children. We hope you will support JNF by accepting the opportunities presented in this package and by doing so you'll make a direct immediate and significant impact on the children of our great community.

Thank you for your sponsorship consideration of JNF's 2018 White Party. For more information or to secure your sponsorship now please email us at info@jorgenation.org.
